**NOTE ON DONATIONS:** Donations do NOT have to come in the form of just money! If a person opts to donate \$50 worth of chicken wings for the buffet or \$100 worth of alcohol for the hunch punch, that also counts as a purchased sponsorship. A donation of a keg of Guinness & tap earns an automatic Platinum Sponsorship. Other possible donations include: donated raffle items, printed items (4x6 promotional flyers, event programs, posters, cardboard stand-ups, etc.), web design help, decorations, set-up and break-down assistance, or money donated to charity in the name of CON\*tourage and PhotoGnome. For people who donate less than \$50 but more than \$20 (the event ticket price), we will have an "honorable mentions" section in the program that will include their name, and they will also receive a CON\*tourage VIP pass for a future CON\*tourage party.
